Standing Items	<ul style="list-style-type: none"> <li>• <u>Update State/Region</u>: The state council is currently updating the standards manual. They are reviewing the fee structure and intend to reduce the fee for STEMI II and Stroke III to \$1500 which is the same fee as Trauma IV. They have approved 6 more site surveyors, which brings the total number of surveyors to 12. The first site survey is scheduled in early July and will be a trauma survey. Most surveys will occur within 1-2 months of the application. There is an ongoing pilot for the stroke and STEMI data registry. Although participation in the TSE program is voluntary, data submission is not.</li> <li>• <u>EMS Update</u>: Cheryl asked about EMS designations for TSE and how TSE information is being communicated with EMS. Christian reported that no EMS designations are currently in development. Rob Hickey (Canyon County Paramedics) provided an update on the recent EMS Commission meeting. There is discussion on increasing the standards for critical care paramedics in order to increase safety around interfacility transfers. Rebecca Kirsch identified the need for increased resources so that paramedics have access to this advanced training. Louis Monson pointed out difficulty in getting clinical hours since local hospitals are already saturated with students. Saint Al's is hosting a BBQ for EMS week later in the day.</li> <li>• <u>Coordination of Care</u>: No updates.</li> <li>• <u>Community Outreach/Prevention</u>: <ul style="list-style-type: none"> <li>○ Outpost days in Owyhee County (first weekend in June): community health education.</li> <li>○ Capitol City Market: TSE event, to include hands only CPR and stroke awareness</li> <li>○ Stroke Awareness Events this summer <ul style="list-style-type: none"> <li>▪ Canyon County Fair</li> <li>▪ Western Idaho Fair</li> </ul> </li> </ul> </li> </ul>	
Subcommittees	<ul style="list-style-type: none"> <li>• <u>Trauma</u>: The trauma committee created a decision tree for trauma and end of life. The goal of this process is to keep patients in their own communities if no surgery/intervention is indicated.</li> <li>• <u>Stroke</u>: The committee needs volunteers for the two stroke awareness events this summer.</li> <li>• <u>STEMI</u>: No update.</li> <li>• <u>QA</u>: No update</li> </ul>	Teresa to send copy of decision tree to the group.
